From (Name) SRI. K. VITTAL SHETTY,

(Designation) President, District Board,

South Kanara.

To The Secretary to the Government of Madras,

Education and Public Health Department.

MADRAS.

Sir,

The now defunct Taluk Board, Puttur, had transferred 40 Board Elementary Schools to the management of panchayat boards in 1932 and had fixed the contribution payable to the respective panchayat boards on the basis of the average cost of 3 years prior to the date of transfer vide para 3 of Government Order No. 679 L.E. dated 9.5.1932. As the Taluk Board had not adopted any progressive scale of pay for elementary school masters the (6) average cost of maintenance of some of the schools was less than the Government subsidy received by the Taluk Board and there was therefore savings

in subsidy to the Board according to the strict interpretation of the Government Order No. 679 L and E. dated 9. 5. 1932. The subsidy supposed to have been saved by the defunct Taluk Board was however recovered from the Board in spite of protest. vide-- Government Order No. 2068 L.E.dated 16.10.1935.

2. On receipt of Government Order No. 81 L.E. dated 10.1.34 the defunct Taluk Board raised the contribution to the ------- panchayat boards so as to be not less than the subsidy received by the Taluk Board for the respective schools with a view to --- avoid refund to Government the savings which will accrue to the Board- vide Taluk Board Resolution No. 292 dated 24.2.1934 copy enclosed. On 1.4.1934, the date of abolition of Taluk Boards, there were 11 schools under the management of panchayat boards and the contribution fixed to these schools by the Taluk Board in its Resolution No.292 dated 24.2.1934 continued to be paid to them by the District Board till the date of resumption of the-- management of these schools in Appendix A.

3. The auditor objects to the payments to the panchayat --- boards in excess of the average of the past 3 years and has --- ordered the recovery from the panchayat boards the amounts noted against them in Appendix B. After the abolition of Taluk ---- Boards, the District Board has resumed the management of 10 ---- schools and had also recovered from some of them the savings -- that remained with them out of the grants paid.

4. From the accounts submitted by the panchayat boards, it -- is seen that though the contribution paid to them was more than the average permissible, they have spent in almost all cases--- the full contribution received from the Board and the unspent-- balance, if any, as is already stated above has been recovered-- to a certain extent. I therefore request that the Government -- may be pleased to sanction the revised rate of contribution paid to panchayat boards in accordance with the Taluk Board Resolution No. .292 dated 24.2.1934 or if this course is not at all possible

the Government maybe pleased to order the waiver of recovery from the panchayat boards of the excess contribution paid. The contribution that is now being paid to the panchayat board in respect of the non-subsidy Mundaje School is in order and the management of all the other schools have been resumed by the Board.
